

Hello Parents of Zion,

We are moving quickly through summer already, so I just wanted to reach out to you and let you know about this year's Vacation Bible School. Since the church buildings are still closed the Christian Education committee has been working very hard to provide a fun and creative way to still do Bible School. This summer's Vacation Bible School will be a new and exciting experience, each week in July your family will receive a packet with all the fun stories and crafts of a normal VBS to do together at home. Then once a week we will gather online to see how the lessons are going, learn, and sing together. Our first packet goes out the week of July 1st!

If you'd like to participate email Walt@zionlexsc.com now to sign up. Include when you'd like to pickup your weekly packet or if you'd like it mailed/delivered.

We will also be having a weekly Zoom meeting each Wednesday in July. Keep watching for times and links to join us digitally in a future email.

Finally I'd like to thank Carol Hunter who has stepped up as our VBS Director this year. Along with the support of the Christian Education Committee she is doing an amazing job setting up something new for Zion's Children.

May God's peace surround you this week,

Walt Hampton
