

**Thank you for serving your
neighbors in need this
Thanksgiving day!**

**We give thanks for you
and your service.**

Remember to be safe this morning as you deliver, we have setup these rules in order to keep our drivers and our recipients safe this year:

1. Enter church parking lot at FLC and follow signs. We'll place your assigned meals in your vehicle and give you your assigned route.
2. When delivering **leave meals at the door** and knock/ring bell. Return to car. If the resident doesn't open the door to get the meals, please call (if a number is available) to make sure they are aware the food is there. If no phone number is available, please knock or ring one more time and then leave the food there if necessary.
3. Please self-screen before you come – **if you are not feeling well, please do not come to pick up meals**. You can text Betsy (803-920-7400) or Chip (803-807-7249) and let them know you can't make it.
4. Please **wear a mask** when you arrive to pick up the food, when you exit your vehicle to deliver, and when around any other people while delivering.
5. We encourage you to **use hand sanitizer and wash your hands** frequently during your deliveries.

Thank you for supporting this important ministry and being the Hands and Feet of Christ!
