Week of June 5, 2018

Here's what happened in worship this past Sunday.

We had a special treat this past Sunday. Joanna Gragg who recently graduated seminary joined us to preach the gospel this week. In the gospel reading we heard about Jesus being challenged by the Pharisees about the Sabbath. In the sermon Joanna lead us through reflections on what is sabbath. In the end we searched ourselves about whether our sabbath practices were just rule following and box checking, or if our sabbath is God centered, full of grace, and life giving.

Questions to Ponder about this week's reading and Sermon

- + What does the word Sabbath mean to you?
- + How do the actions of Jesus in this story show us that sabbath is to be a gift?
- + What ways of keeping the sabbath can be a gift to you?
